Attached please find a table of new or amended appointments required by 2019 legislation. The appointments database has been updated to reflect the new boards, commissions and task forces, and I am currently entering the amendments into the system.

There are two additional boards that are new but not yet in the database as they have a delayed effective date:

Connecticut Hydrogen and Electric Automobile Purchase Rebate Board (Effective October 1, 2019)  
Connecticut Municipal Redevelopment Authority Board of Directors (Effective October 1, 2019)

Please let me know if you have any questions or suggestions on these additions or any other appointment issues. I hope you find this helpful.
